

5Essentials School Surveys

Our 5Essentials School Survey will be open until February 15, 2019. Please make sure to login to complete the survey at

https://survey.5-essentials.org/illinois/?target_name=parent

Research has shown that schools strong on these indicators, the “5Essentials” are ten times more likely to improve student learning. Your participation in the Illinois 5Essentials Survey will help us understand the conditions of our school and guide improvement.

Thank you for your time in making Prairie View the Best!

Security Precautions

For the safety of the students and staff in the building, all visitors, including parents and volunteers, are required to enter through the office and sign in. To be buzzed into the office you will need to push the buzzer located on the wall to the right of the office door corridor. Please do not knock on the main doors to get students attention. We teach the students not to let anyone in.

The Winter Chill is Here

Please dress your child appropriately to be outside when the weather permits. Snow and moderately cold weather will not keep the children inside. **All children will participate in outdoor activities if the outside temperature with wind chill is 0° or above.** Snow pants and boots are required for children to play in the snow.

It is also important that your child has a pair of gym shoes at school. If for some reason your child forgets their shoes, as they are wearing their winter boots to school, we will make every attempt to have something warm and dry here.
