

PRAIRIE VIEW

GRADE SCHOOL

September 29, 2020

Dear Prairie View Families,

We are proud of our staff and students on how they have persevered through the last weeks with maintaining their in-person and remote learning. Students, staff, and families are the reason we have been a success at Prairie View. We thank you for all your time and support to your child and Prairie View.

We are looking forward to the start of October. October is Fire Safety month and we completed our first fire drill this week with our in-person students. Pingree Grove Fire Department supported both our drills, as we completed one in the AM session and PM session. We are grateful for our community workers and their guidance in safety for our students and staff. We encourage our families to practice a meeting place for your family during fire prevention month.

Our PTO is looking for our yearbook cover contestants. Please make sure to send any yearbook cover photos to Pvyearbookmail@gmail.com by Friday, October 2, 2020.
