

**PRAIRIE VIEW**  
GRADE SCHOOL

Monday, February 1, 2021

Dear Prairie View Families,

Beginning **February 3**, students and teachers across Illinois will have an opportunity to participate in the ninth annual statewide Illinois 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of your child's school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child's school.

On behalf of the Illinois State Board of Education, the Illinois 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. The five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research in more than 400 schools has shown that schools that were strong on at least three of these "5Essential" indicators were 10 times more likely to improve student-learning gains in math and reading than those that were weak on three or more Essentials.

***All teachers and 4<sup>th</sup> through 12<sup>th</sup> grade students will be responding to this survey beginning Monday, February 15 through Friday, February 26.***

5Essentials Reports will be generated for schools if their teachers and/or students meet the response rate threshold of 50 percent. These reports will be sent to schools and districts in May 2021 and will be included in the State School Report Card.

Additionally, your district has chosen to provide the optional Parent Supplement survey. **If at least 20 percent of Prairie View Grade School parents complete this survey, a parent supplement report will also be generated.** This parent data will not be reported on the State Report Card but is essential in helping us improve teaching and learning practices.

Your participation in the parent portion of the survey will help us understand the conditions at Prairie View and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.

**The Illinois 5Essentials Survey for students and teachers will be conducted February 3, 2021 through April 2, 2021.** The Parent Survey Supplement will be conducted during that same timeframe. To take the survey please visit <https://survey.5-essentials.org/Illinois/> and select the appropriate survey to begin.
