

Prairie View Grade School

We are Coyote Strong!

February 15, 2021

Dear Prairie View Families,

Students and teachers across Illinois will have an opportunity to participate in the ninth annual statewide Illinois 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of your child's school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child's school.

On behalf of the Illinois State Board of Education, the Illinois 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. The five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research in more than 400 schools has shown that schools that were strong on at least three of these "5Essential" indicators were 10 times more likely to improve student-learning gains in math and reading than those that were weak on three or more Essentials.

All teachers and 4th through 12th grade students will be responding to this survey beginning Monday, February 15 through Friday, February 26.

5Essentials Reports will be generated for schools if their teachers and/or students meet the response rate threshold of 50 percent. These reports will be sent to schools and districts in May 2021 and will be included in the State School Report Card.

Additionally, your district has chosen to provide the optional Parent Supplement survey. If at least 20 percent of Prairie View Grade School parents complete this survey, a parent supplement report will also be generated. This parent data will not be reported on the State Report Card but is essential in helping us improve teaching and learning practices.

Your participation in the parent portion of the survey will help us understand the conditions at Prairie View and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.

The Illinois 5Essentials Survey for students and teachers will be conducted February 3, 2021 through April 2, 2021. The Parent Survey Supplement will be conducted during that same timeframe. To take the survey please visit <https://survey.5-essentials.org/illinois/> and select the appropriate survey to begin.

Absences: If your child is going to be absent from class (remote or in person) please notify the office staff, the core teacher and the special teachers. With attendance being taken more than once a day it is important that all parties are aware when a student will be marked absent.

Dismissal: If your child is going to have a change in their usual routine of transportation home, please send an email to your child's teacher and the office staff. Be sure to include the child's first and last name in the email. Teachers may not have time to check their email before dismissal, we ask that all changes be made through the office to ensure the students' safe delivery home. All emails should be sent first thing in the morning.

Reminder: All pre-certification forms should be filled out completely. Please see an example at the [link](#) provided.

If you will be dropping off or picking up your student, please scan the QR code to the left.

Specials Classes:

Thank you for keeping up with Art, Music, and PE/Health classes at home. It is important for each student to attend each class and participate. All Specials assignments and grades are posted in Canvas. Assignments and grades are not put in Skyward until the end of the semester, therefore you can keep up with your child's grade and completion of assignments in CANVAS. Go to the designated specials page, click on Grades, and see what assignments are complete or missing. The best path to success is if the students keep up with their assignments. If your student is going to be absent for a special please email the specials teacher as well as the office.

Class Notes

Early Childhood

We are learning about community helpers in Early Childhood. The kids were able to pick and color a hat based on a job they would like to have when they get older.

Kindergarten

The kids were so excited to see their forest come to life! They made their animals and labeled them. They also added weather to their forest habitat and even a burrow for animals that live underground! Mrs Kostopolous' AM Class(left) PM Class (Right)

Physical Education

Mr Porto and Mr Sportsman have been working with the PV students on fitness activities. Over the past few weeks some of the lessons have included current events such as groundhogs, football, and valentines. Keep working hard Coyotes!!!
