School Property and Hours

During the school day, we have specific hours where our school grounds are off limits. This is from 9:00am - 3:30pm. We have had some families riding bikes and playing on our playground during these hours. Please share with friends and family that the school grounds are for our students amongst these hours 9:00am - 3:30pm. Thank you for helping us keep our students and staff safe.

Start with Hello Week

The week of September 21st is ***Start with Hello Week!*** Students will show their support of each other by being more socially inclusive and connected to one another. Start with hello and ask students, staff, and parents to interact with each other to take steps in class, the lunchroom and/or other times during the day, or after school to be inclusive and connected. At Prairie View, we feel fostering inclusion, caring and connectedness within the school is an important life skill that is simple and can impact the lives of others in a positive way. Below is the schedule of "Start with Hello" week events our students will participate in building-wide.

Tuesday, September 21, 2021 - Hey Day!
Every child and staff member will be given a name tag to wear all day - we encourage everyone to say hello and address the person's name.

Tuesday, September 21, 2021 through Friday, September 24, 2021 -
Lessons within classrooms for including others and building friendships and connections.

Friday, September 24, 2021 -
All Students and Staff wear Green to support our ***"Start with Hello"*** week.

Health Office

Please continue to send any required forms in:
• Kindergarten-physicals, immunization records, dental, and vision exams
• 2nd grade-Dental exam forms, and students new to Illinois schools.
Exclusion date is October 15th, 2021. By state law, students will be excluded from school if physical immunization and vision forms are not in the Nurse's office on file. Dental forms are due no later than May 15th, 2021. We will gladly accept dental forms any time! Please call the Health Office with any concerns! Click here for all forms.

Parents are reminded to bring their children's medications, both prescription and over the counter, with a completed "Meds A" from to school as soon as possible. "Med's A" forms are available online or you can pick one up in the school office.
For the safety of all, children are not allowed to transport medications to school.

Front Office

Arrival/Dismissal

Bus Information: Students arriving at school on a bus will be required to sit in their seats and follow the expectations of the bus driver. We have shared those expectations with you to review with your student. Bus Expectations

Car Riders: Students arriving and departing as a car rider will need to follow the staff's instructions on moving forward in the car line, as well as dismissing your child from the right side of the car. For the safety of your children, please have them exit your car on the right side of the car closest to the sidewalk. In addition, if your child needs you to unbuckle their car seat, please park your car in the parking lot and walk them to the front of the school. This will help keep the flow of the car rider line moving.

Dismissal: If your child is going to have a change in their usual routine of transportation home please send an email to your child's teacher and the office staff Mrs. DeAnna Ricker deanna.ricker@central301.net and Mrs. Nicole Stull nicole.stull@central301.net Be sure to include the child's first and last name in the email. Teachers may not have time to check their email before dismissal.

Community Event

The Elgin Breakfast Club is looking for families and community members to help with planting of 100 Oak trees at Fitchie Creek on Saturday, September 18, 2021 from 9:00am-12:00pm. If you are interested in helping with this community event, please add your name to this form.

Prairie View Grade School's Birthday Book Club

Are you looking for a fun way to celebrate your child on their birthday? Consider the Birthday Book Club. Donating a book to Prairie View's LMC helps to build our library collection and will make your child feel special at the same time.

During the month of your child's birthday, we will call all participating students to the LMC to select a book from a wide selection of hardcover books. The Birthday Book Club will run from October to May. If your child's birthday is in June, July, August or September, we will invite them to come to the LMC during the month closest to their birthday.

Inside each birthday book, we will place a bookplate with your child's picture, name, & grade announcing that this is their birthday book donation to the library. Your child will be the first student able to check this book out!

If you are interested in participating in this program, please fill out the form below and return it to Prairie View Elementary LMC with a $15 check made payable to PVGS.

Thank you for considering this program. It's a great way to make your child feel special and support your library! Please contact me if you have any questions.

Sincerely,
Rebecca Page - Library Media Specialist
