Arrival/Dismissal

Bus Information: Students arriving at school on a bus will be required to sit in their seats and follow the expectations of the bus driver. We have shared those expectations with you to review with your student. Bus Expectations

Car Riders: Students arriving and departing as a car rider will need to follow the staff's instructions on moving forward in the car line, as well as dismissing your child from the right side of the car. For the safety of your children, please have them exit your car on the right side of the car closest to the sidewalk. In addition, if your child needs you to unbuckle their car seat, please park your car in the parking lot and walk them to the front of the school. This will help keep the flow of the car rider line moving.

Changes to Dismissal: If your child is going to have a change in their usual routine of transportation home please send an email to your child's teacher and the office staff Mrs. DeAnna Ricker deanna.ricker@central301.net and Mrs. Nicole Stull nicole.stull@central301.net Be sure to include the child's first and last name in the email. Teachers may not have time to check their email before dismissal.

We ask that all changes be made through the office to ensure the students' safe delivery home. All emails should be sent first thing in the morning.

Curriculum Nights

We will have two curriculum nights this year for our families. This will be the time for families to learn about curriculum, daily schedules, what to expect, and how your child will succeed throughout the school year. Please see dates and times below.

August 24th Curriculum/Parent Night for Early Childhood, Kindergarten, 2nd grade, and 4th grade 6:00pm – 7:00pm
August 26th Curriculum/Parent Night for 1st grade, 3rd grade, and 5th grade 6:00pm – 7:00pm

Attendance

Our Prairie View families will need to follow proper procedures for informing the school when your student is absent, along with providing a reason for the absences as outlined in the Parent/Student Handbook. Please let the office staff know if you have any questions or concerns, as we begin the school year.
