**Winners of Coyote Crawl: 4th Grade Mrs. Clark's Class**

## Message from Dr. Schreiber

We have been enjoying our school-wide ABC countdown and have some pictures to share with you throughout the newsletter. Our Coyote Crawl was a success today and we are grateful for all our families, volunteers, and PTO for surpassing our goal of \$10,000! Thank you again for making Prairie View a great place to grow and learn. Next week, we will be celebrating our teachers and staff. The PTO has planned incredible activities and events, please review the PTO newsletter for more information. Please reach out to us if you have any questions or need information, as we complete the 2021-2022 school year. Upcoming events are designated below in our calendar for planning purposes. The last PTO meeting for the school year will be on May 9, 2022 at 6:30pm in the Prairie View Library. This will be the same day for our library books to be returned for the school year. Thank you again for your continued support!

# Nurse's Office

## Medication Pick-Up Reminder

Medications kept in the Nurse's office will not be stored or transferred for the next school year. If your student has medications at school, please plan a time to pick-up these medications. Please note that medications can not be sent home with a student. A parent or guardian must pick up by May 20, 2022 or they will be discarded. If you have any questions, please contact Nurse Alexa at [alexa.panagakos@central301.net](mailto:alexa.panagakos@central301.net)

## Reminder for Next School Year

Here is a list of school health exams that will need to be submitted to Prairie View entering these grades for the 2022-2023 school year. These forms should be submitted before your student starts in August.

- Health Requirements
  - Physical Exams: Early Childhood and Kindergarten
  - Immunizations: Early Childhood and Kindergarten
  - Dental Exams: Kindergarten and Second Grade
  - Eye Exam: Kindergarten
- Individual Health Plans and/or Medication Forms must be updated and renewed each school year.
  - Students who "self-carry" epi-pens or inhalers must have an updated healthcare plan and parent consent to self-carry on file in the Nurse's Office.

**All Health Requirements and Forms for District 301 can be found on [our website](#).**

## 2022-2023 Registration

**Rent and Host Families:** Families that rent or are hosted are required to complete residency paperwork annually. Residency verification for the 2022-2023 school year will begin on May 1st.

**Kindergarten:** Forms can be found [HERE](#). We also have copies of the Registration forms in the front office if you need to pick them up. Residency must be completed for all new students, despite siblings currently being in the district. Completed forms must be dropped off in the front office, Monday through Friday, 8am-3:30pm. Completed emailed forms are not permitted. Once forms are received, that will open up the second part of registration online, which includes fee payment. Our goal is to have all Kindergarten registration completed by April 15th.

**1st through 5th:** Online registration for Grades 1-5 is now available. Please log into Skyward to complete. Registration was requested to be completed by **Friday, April 15, 2022**. If you do not know your login information, please contact the office.

Please review the Health requirements [HERE](#). If you have any questions, please do not hesitate to contact Nicole Stull at 847-464-6014 or [nicole.stull@central301.net](mailto:nicole.stull@central301.net).
